## EAGLE RIDERS REPORT

Hello Eagle Riders and Midland Eagle members,

Protect your motorcycle from extreme heat. You can take preventative measures to help protect your motorcycle from extremely hot weather and direct sun. Wax or polish your bike to help reflect heat-causing UV rays. If you can't park in a shady spot, cover your seat and hand grips so they don't become too hot to handle when you want to get back on your bike.

On particularly hot days, it's important for both you and your motorcycle to take regular breaks. As you re-hydrate and cool off in the shade, do a quick visual check for signs of overheating.

Mike, James and I met with others and rode to the the Blessing of the Bikes in Baldwin. It was a great day of riding and comradery with friends.

At the kick off of 98.5 bike nights at Sanford Eagles there were around 130 bikes. I heard that is a great turn out. Everybody must have been eager to spend time together after the winter months, and of course get on their bikes to show off what new parts or modifications they made, lol.

We are planning on having the Denise Dehn Memorial Ride on August 17th. We need donations for silent auctions if any member knows any where to get some please help make this ride successful as possible thanks.

Next Eagle Riders meeting will be June 4th at 7pm.

We are always looking for members, you only need to be a member of any Aerie in good standing to join our Eagle Riders group.

Check Facebook page for updates on rides and get-togethers. I update Facebook as soon as I get them.

Ride Safe and watch out for the other guy because they probably are not watching out for you.

## DISTRICT 12 NEWS

There is no District meeting in June due to the 119<sup>th</sup> State Convention in Lansing on June 13, 14, and 15 at the Lansing Convention Center.

There is a District Outing on July 11<sup>th</sup> through the 13<sup>th</sup> at the Michigan Eagles Family Rec Center in Lake, Michigan. There will be bonfires, food, music, corn hole, golfing, and 50/50 raffles. For more information contact Debi at 989-435-4030. Enjoy the comradery of your fellow Eagles from other Aeries at the District Outing.

The next District Meeting is July 21 at the Mt. Pleasant Aerie 4463.

At Hale we lost the attendance trophy to Gladwin again! This is becoming a stiff competition between the two Aeries. Please try to attend the July meeting. Thanks to Tim Dryer, Jim Farless, Evan Fryzelka, Sandy Maier, Ted Oliver, and Diane Pnacek for attending. If your name isn't here... you missed out on the fun!

If you are interested in car-pooling and attending these monthly meetings, please contact Diane Pnacek, 989-259-6620 or Steve Sobolewski, 989-615-8244. We will do our best to see that carpools are available.
